Birchington Remembrance Sunday

8th November 2026

Temporary Road Closures

The Annual Birchington Remembrance Parade and Service will take place this coming Sunday. For the safety of members of the public and the various local organisations attending, Thanet District Council have authorised temporary road closures in and around The Square from 10.30am to 12.30pm as well as suspension of parking in Station Road. There will be shorter road closures in and around Station Road for the time it takes the parade to pass along Station Road from Alpha Road to The Square. Diversion signs will be placed in surrounding roads as appropriate. The temporary closures are detailed below:

1. Canterbury Road, from Yew Tree Gardens to Kent Gardens, including The Square (with a partial closure at the Epple Road junction).

2. Park Lane from The Square to the junction with Anvil Close.

3. Albion Road, from the junction with Crescent Road to Station Road (this does not exclude use of the Car Park). There will be a Steward at the entrance to Albion Road Car Park to ensure safety.

4. Station Road at the junction with Prospect Road.

5. Eastfield Road will be closed for the duration of the parade.

6. Canterbury Road – junction with Kent Gardens to The Square.

7. Albion Road, junction with Station Road to the entrance of Albion Road Car Park.

8. Alpha Road from the junction at the car park to Station Road will be closed for approximately 15 minutes until the parade makes its way into Station Road.

The Parish Council have arranged for volunteer stewards at each closure point to assist during the parade, please help them by following their instructions.

Please note that emergency vehicles will have priority if answering emergency calls and stewards will assist in ensuring the road is clear for them to pass through.

Once the service is over, the parade will march into Albion Road Car Park where they will be dispersed - all roads will then be re-opened to traffic.

Jane Bevan, Parish Clerk
Birchington Parish Council
